1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

She lost her husband a few months ago, is on a fixed income, in her 80's - with the cost of medications, health care, etc....she is already stretching to make ends meet. An increase A 17 percent increase in residential electricity rates recently filed by Duke Power

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? * (This section should be completed.)

I wish that I could make an appearance. However, due to work demands and family health situations - I would not be able to take time from my schedule. However, I feel strongly about this and the only other way I could communicate this - was by way of protest
